EXHIBIT REGISTRATION RULES AND GUIDELINES

Exhibitor booth representatives are restricted to owners, executives, or employees of exhibiting companies. Exhibitors are not permitted to have representatives of non-exhibiting companies in their booths without permission from the PGA Committee. The number of allowed representatives will be limited to five (5) persons per 10 foot booth unit per exhibit day. Physicians, CRNAs, RNs and other paramedicals listed as company employees must produce a business card or other valid proof of employment before an exhibitor pass can be issued. Exhibitor registrants will not be eligible for CME credits.

Physicians who are required to pay a registration fee are not to be listed as Technical Exhibitors unless they are bona fide employees of your company.

Please list the names of your company registrants. You may use the other side of this form, if necessary.
