

New York State Conference for Anesthesiology Residents and Fellows

Saturday, December 13, 2014

10:00 - 17:00 • Empire Complex o 7th Floor

Looking to the Future: Pearls to Supplement Your Training

NYSCARF provides an opportunity for residents and fellows in anesthesiology to gain perspective on the future of their medical specialty. The program will include presentations of original research, a simulation workshop, and discussion of opportunities for fellowship training and private practice and contract negotiations. The conference will conclude with a business meeting of the Resident and Fellows Section of the NYSSA and resident poster presentations. Medical students are welcome.
